

## Join a Local Babysitting Co-op

**Ever wanted to run an errand, go to the doctor, attend a meeting, go shopping, or see a movie with your spouse or friend without having to have a child in tow?**

- A Babysitting Co-op is started by parents who need to leave their children for a short time with other parents and feel secure that their children are being well cared for. At the same time, the members (you Moms & Dads) save money by exchanging babysitting time tokens--rather than money--and not feel they are imposing on a friend or relative.
- We will meet occasionally get together to know each other, sign up new members and spend the rest of the time enjoying, at no cost, guilt free childcare!
- You decide on a weekly basis when you require childcare, and when you are available to give your time to take a child or two into your home.
- All members will be ask for a criminal record check to ensure the safety of our children.
